

Parents,

It is time for your students to select classes for the 2018-19 school year. Mrs. Scoggins and Mrs. Theissen will be meeting with our current 7th and 8th grade students in the next two weeks to go over their options for classes. Your student will be coming home with a course card after meeting with the counselors. Please make sure you go over it with them, sign, and return on the due date. If students do not turn in their completed course cards, their classes will be selected for them. Please keep in mind that all students will have one final opportunity the first week in May to make changes to classes for the 2018-2019 school year.

Current 8th graders: Mrs. Scoggins and Mrs. Theissen will be meeting with our 8th graders on Thursday, February 8th during their Language Arts classes to get information about high school, classes for 9th grade, graduation requirements, and endorsements. 8th graders will work on Personalized Graduation Plans (PGP) while meeting with our counselors. On Monday, February 12th the counselors from Lake Highlands High School will be here to meet with 8th graders during their science class. Students will bring home their 9th grade course card and their PGP. Please go over your student's course card and PGP, sign, and return to the counseling office. Lake Highlands High School will have their 9th grade Parent Night on Wednesday, February 21st at 6pm. This is a great opportunity for our 8th graders and their parents to walk around the high school, hear about the different classes available, and talk to current students about clubs and organizations. 9th grade course cards and PGPs are due back on Friday, February 23rd.
