

Richardson Independent School District's Focus Parent Portal HOW TO SIGN UP

Version 1.4 • 16-SEP-2015

General Information

Starting with the 2015-2016 school year, RISD parents can access their children's grade and attendance data through the Focus School Software student information system. Parents previously accessed this information through Star_Portal™, which has been discontinued.

To sign up for a Focus Parent Portal account online, you will need a valid email address, and you will need to know the following information about your child:

- **The last four digits of your child's Social Security Number or your child's State I.D.** If you do not know the Social Security Number or don't want to provide it, and you don't know the State I.D. number, please contact your school for assistance.
- **Your child's RISD I.D. number.** This is typically included on progress notices, report cards, and on other official documents from RISD. If you don't have this number, please contact your school for assistance.
- **Your child's birth date.**

Sign-Up Process

You can use any major web browser to sign up for Focus Parent Portal online, including Microsoft Internet Explorer, Google Chrome, Mozilla Firefox, or Apple Safari.

- A convenient link to the sign-up address can be found on this page of the RISD website:
<http://www.risd.org/focusparent>.
- The sign-up address will take you to this page:

Your child's name appears beneath a space reserved for his/her photo. RISD has not yet uploaded student photos to the Focus system, so the space will be empty.

to you, so you must make a note of it at this point in the process. If you forget your password, you will need to use the forgot-password link on the Focus login page to request a new password.

(6) After you have written down your password, click the *click here to LOGIN to the parent portal* link to be taken to the Focus login page:

You will receive an email message from noreply@focus-sis.org, confirming that your account has been created. Please add this email address to your email contacts, or take other measures, as appropriate, to ensure that email from this address is not treated as junk mail by your email program.

- If you register an additional child, you will receive an additional email message acknowledging that the child has been added to your account.
- If you forget your password and request a new one, the Focus system will send you an email message with a link that you must click to get the new password.

Instructions on how to use Focus Parent Portal after you have logged in are available in a separate document that is available here: <http://www.risd.org/focusparent>.
